## City Right of Way

**Please remember it is not legal to post any signs (such as garage sale, political, real estate or business) on utility poles, street signs, stop signs, or on any city property or city right of way. This includes the area from the sidewalk to the curb. Also, please refrain from planting flowers, shrubs or bushes on the street intersection right of ways as it can create a traffic visibility problem.**

The Shell Rock Community Historical Society's annual meeting is Tuesday, October 16, at 7 pm at the Boyd Building. This year's special speaker is Rosa Grant, from the John Deere Tractor Museum. She will be speaking about exhibits at the museum and also sharing some history on John Deere. Everyone is invited to attend. There will be a short business meeting for members.

Please share this with friends who might be interested in attending.

This is also your chance to learn more about the Shell Rock Museum. You would be surprised at what is in the museum. If you have not visited, the museum, located at 127 E. Adair, in Shell Rock, is open Saturdays from 10 am to 2 pm. It will be open until October 27.

Shell Rock Senior Auxiliary is hosting their second annual vendor/garage sale fundraiser at The Meadows Saturday, September 29th from 9:00-2:00. If you have items you would like to donate for the garage sale, please call 319-885-4341 and ask for Christina, or bring them to The Meadows, 528 N. Kelly Street in Shell Rock. Please do not donate clothes or shoes. Thank you.

New for this year will be pulled pork sandwiches, available to the public beginning at 11:00!

All proceeds will go to the Auxiliary to help us provide entertainment for the residents and buy needed items. We recently purchased two outdoor benches, a flag pole at The Meadows entrance, another TV, an I-pad and case, and a popcorn machine. A major item on our wish list is to help pay for WiFi at The Meadows.
