Spring Clean Up Announced

Dates for Spring Clean Up are April 22—24, 2019

Fees—Charging the same rates as the Butler County Transfer Station.

Anyone who has articles to be picked up must pay the fees in City Hall and sign their name and articles to be picked up. They will be issued a sticker to be put on the articles.

The city crew will try to pick up the articles as soon as possible and dispose of them at the county transfer station. This will hopefully keep other people from removing the items from other households and hauling them around town.

There will be NO removal of demolition materials.

If you have an item that you purchased a sticker for and someone other than the city picks it up, the sticker fee will not be refunded.

Stickered items should be out to the curbside no later than 4/24/2019.

Water Quality Report

The 2018 Water Quality Report is available upon request at the City Hall.

Reminder: Yard waste from citizens within the city limits may be hauled out to our lagoon site at 24130 Woods Avenue. The city maintenance people will pick up yard waste if it is in bags that were purchased from the City of Shell Rock. Yard waste bags are available at City Hall for \$1.00 a bag.
