## Yard Waste

As Spring is here please remember:

No burning on the asphalt streets and make sure the yard waste is dry before you burn it.

You are only allowed to burn leaves and yard waste.

The City of Shell Rock sells yard waste bags for \$1.00 a piece and the city maintenance men will pick up these bags of yard waste at your curb when they are full and you are ready for them to be picked up.

There is a yard waste site available to City of Shell Rock residents at the city's sewer lagoons on Woods Avenue. Please only city residents use this site and place the yard waste in the correct piles and with no plastic articles in the yard waste. This site is regulated by the Iowa Department of Natural Resources and if the dumping rules are not followed, the hours and access to this site may be restricted.
