

MARCH 2017

CITY OF SHELL ROCK

Spring Clean-up Week

The dates for spring clean-up are April 17-19, 2017

Fees-Charging the same rates as the Butler County Transfer Station

- Anyone who has items to be picked up must pay the fees and sign their name and articles to be picked up. They will be issued a sticker to be put on articles.
- The city crew will try to pick up the articles as soon as possible and dispose of them at the county transfer station. This will hopefully keep other people from removing the items from other households & hauling them around town.
- There will be NO removal of demolition materials.
- If you have an item to be picked up by someone other than the city, the disposal fee will not be refunded.
- Items should be out to the street no later than 4/19/2017

Garbage/Recycling

The City of Shell Rock has received a rebate in the amount of \$3,600.00 from the Butler Co. Solid Waste due to the citizens of Shell Rock partaking in the curb side recycling.

The City of Shell Rock would like to thank everyone who participates in the recycling program.
