A volunteer committee has been formed to raise funds for a new aquatic facility/ swimming pool in Shell Rock. The town's current pool was built in 1975 and is in need of costly updates or a complete replacement.

The group has met with several aquatic engineers and has made the recommendation to the city council to contract with USAquatics, Inc. for the design of the facility. Council approved the contract at the June 26, 2018 council meeting and Phase I will begin shortly, which includes a feasibility study and results in a cost estimate and a sketch of the final project.

The committee hopes to bring a safe, inviting, and accessible pool to the residents of Shell Rock and surrounding communities. We hope you will support these efforts by participating in fundraising events which will be publicized over the next year or so.

For questions about the project, donating, or volunteering, committee members can be contacted at srdivingfordollars@gmail.com or on their Facebook page: SR Diving for Dollars

If, at any time, you would like to make a general contribution toward the campaign, there are 3 ways to do so:

- 1) Mail a check to "Diving for Dollars" PO Box 522 Shell Rock, IA 50670
- 2) Donate online via PayPal on the website: <https://sites.google.com/view/diving-for-dollars>
- 3) Drop off donations at Security State Bank or Shell Rock City Hall
